EUROPEAN AQUATICS' PRESIDENT MESSAGE

As President of European Aquatics, I'd like to welcome you all to the Open Water Swimming Clinic for Certified Officials 2025/2026.

Education is at the heart of everything we do, and it plays a huge role in the European Aquatics Strategic Plan 2024-2030. Whether you're an athlete, coach, official, or referee, continuous learning helps us all improve, stay sharp, and keep our sport moving forward.

These courses and clinics are more than just training sessions—they're opportunities to grow, connect with experts, and be part of a community dedicated to excellence. By investing in education, we ensure that our sport remains fair, innovative, and always evolving. So, dive in, learn as much as you can, and let's build the future of European Aquatics together!
